U.S. Presidents Web Application Tutorial/Demo

Sign Up

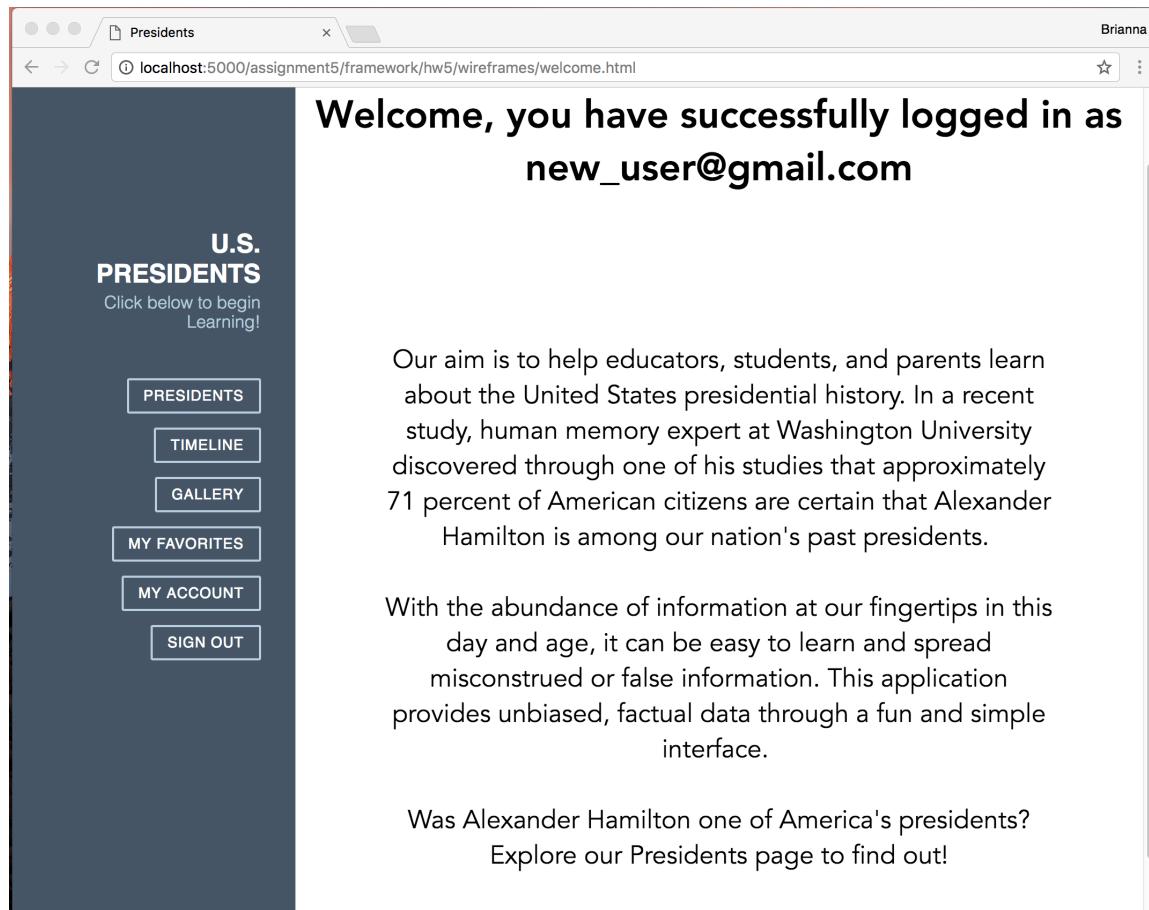

- Enter email in the ‘Username’ input box
- Enter a password in the ‘Password’ input box
- Click on Sign up button if you don’t already have an account

Sign In

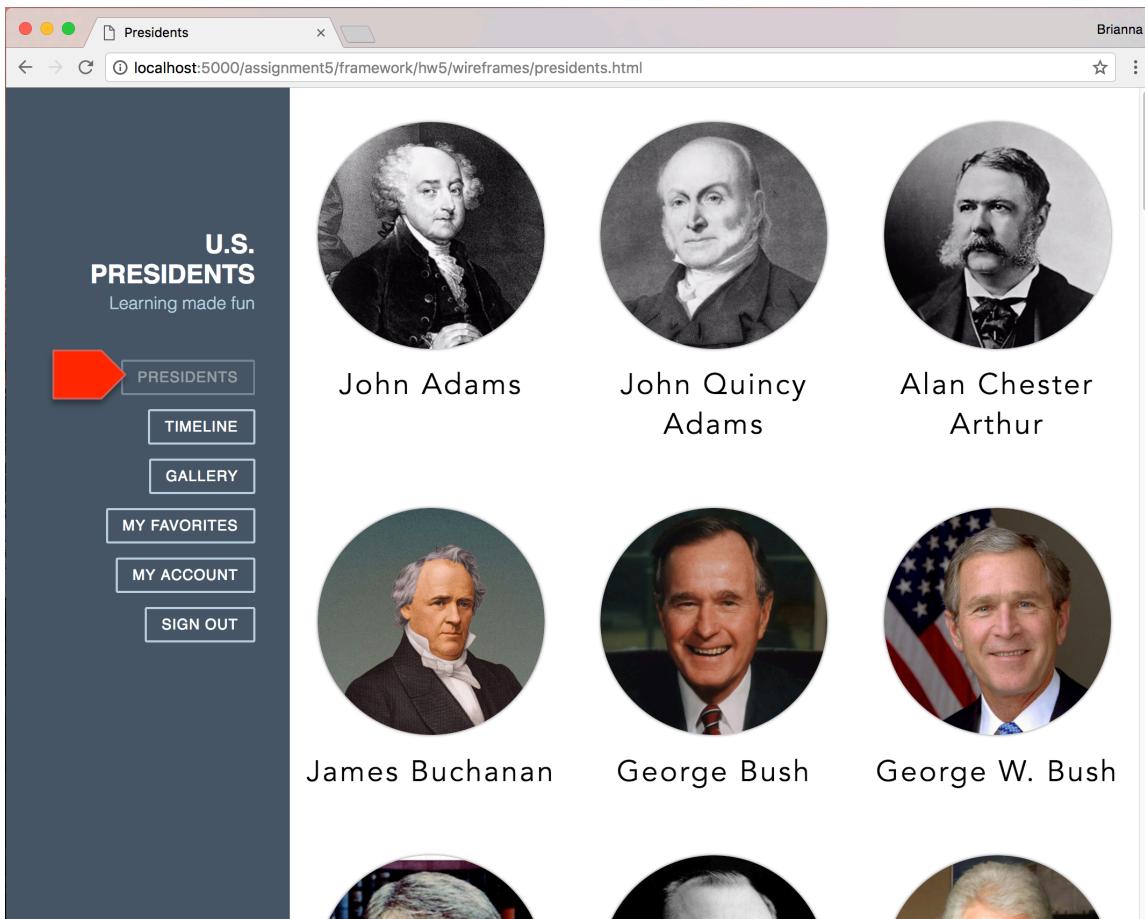

- After signing up, user will be redirected to login page
- If login credentials are not automatically filled, then enter the credentials used in the previous step (sign up)
- Click Sign In

Welcome

- After signing in, user will be redirected to the Welcome page, where his/her username will be confirmed and an application overview will be given
- Explore any of the six links in the left-hand-side menu

Presidents

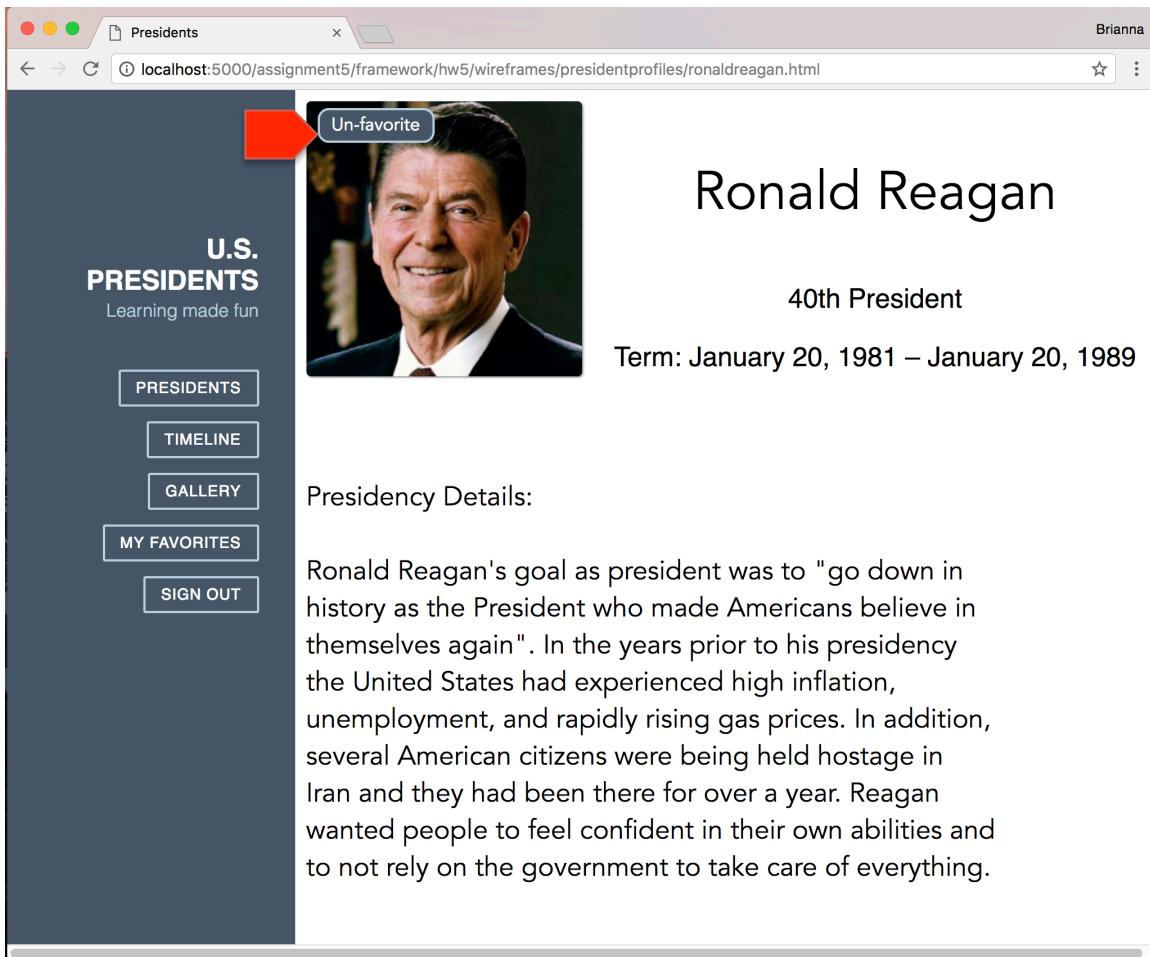

- On the Presidents page, users will find a list of presidents with images in alphabetical order (by last name)
- User can click on any president's image to be directed to that president's profile

President profile

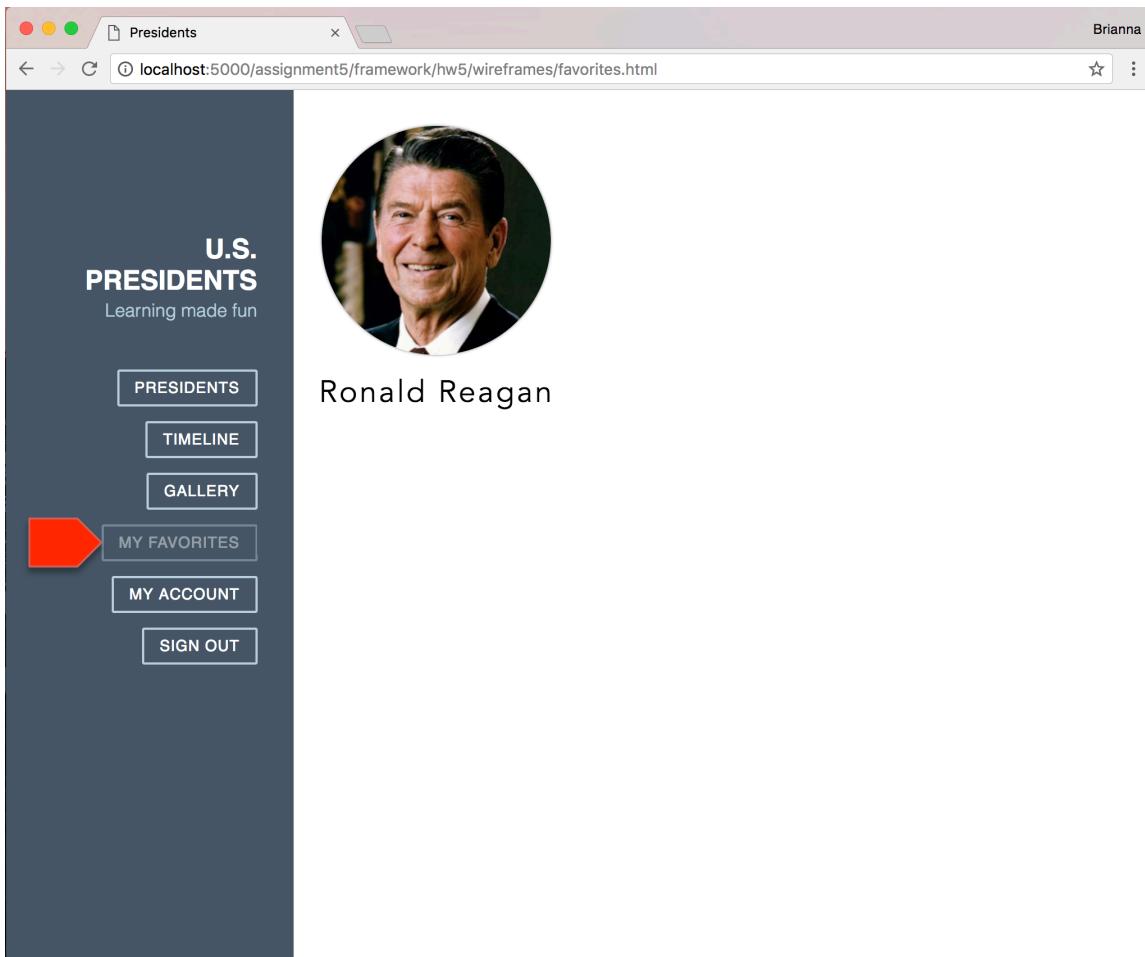

- User is redirected to the President Profile page of the president he clicks on the Presidents page
- On the President Profile page user learns
 - President full name
 - Their chronological position
 - The dates they were president
 - A summary of their presidency

Favorite Button

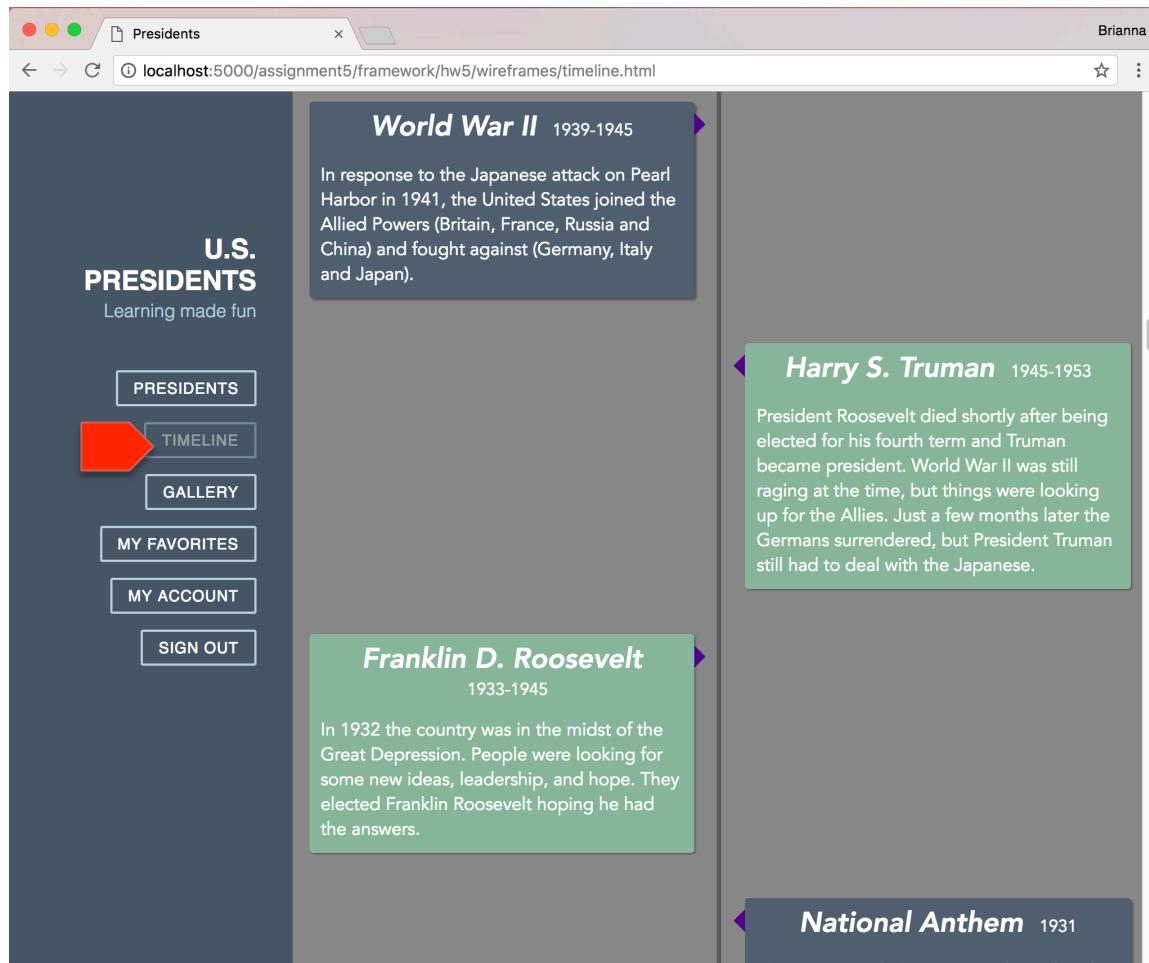

- When user clicks on the button located on the upper-left corner of the president image, the president will be added to the user's personalized Favorites page
- After a user “favorites” a president, the button will read “Un-favorite,” allowing the user to remove the president from his/her Favorites page
- Users can only “favorite” any particular president once

Favorite Page

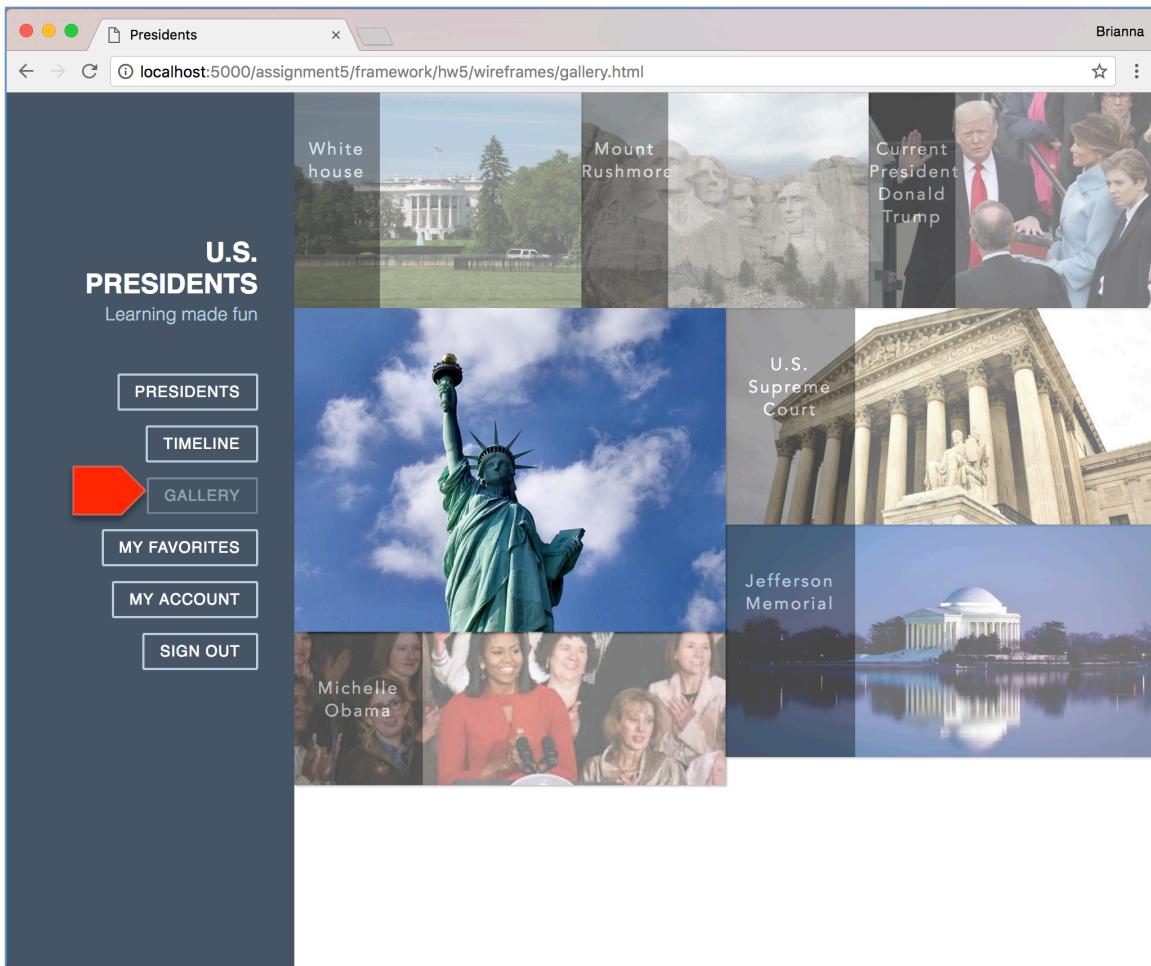

- This Favorites page will be populated with presidents that the user “favorites”
- In order to populate this page, a user must be logged in
- To remove any president from this page, a user must click on the president to remove, then click on the “Un-favorite” button

Timeline

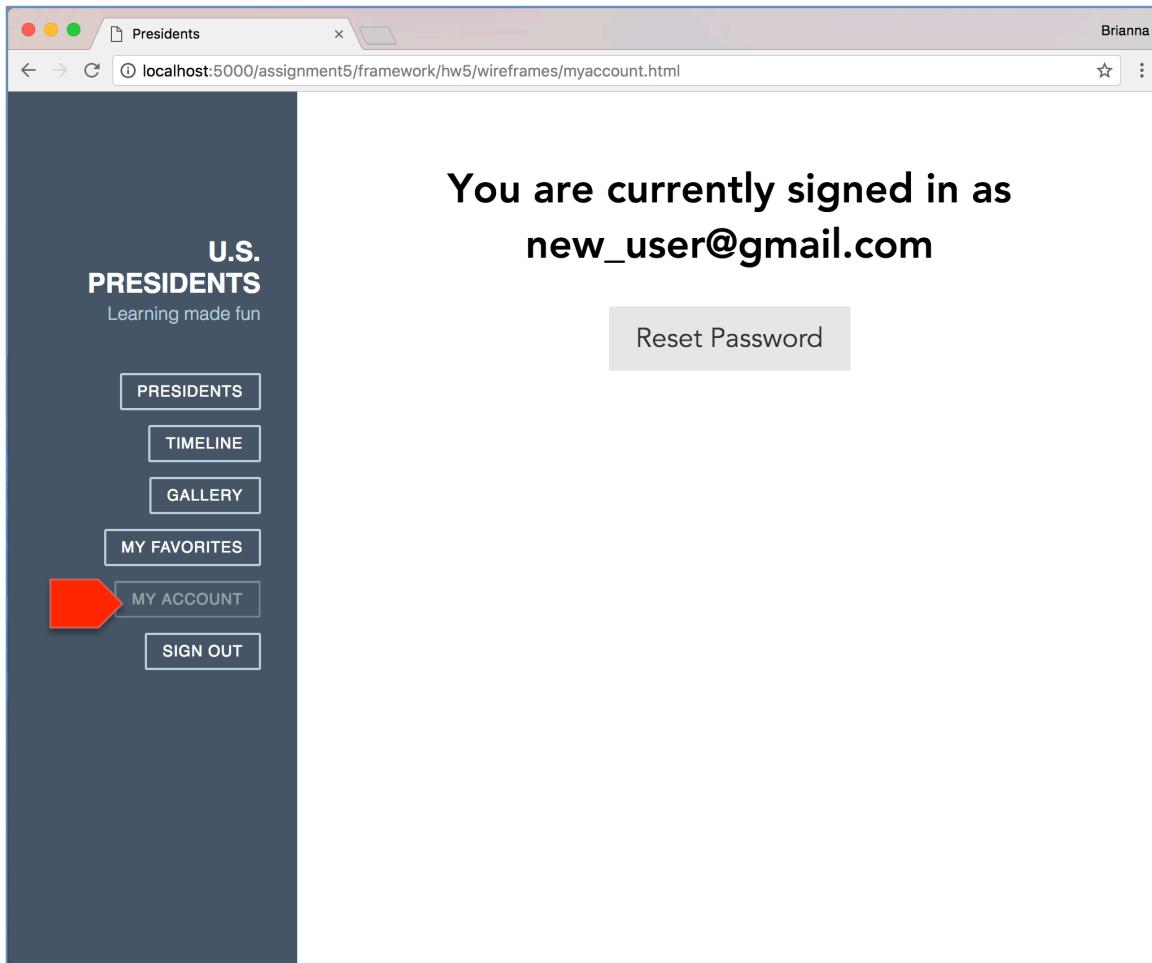

- The Timeline page contains a timeline with the most current presidencies at the top and oldest at the bottom
- Green entries are presidencies, while gray entries are important events that occurred during presidencies
- This page provides users with chronological points of reference for each presidency

Gallery

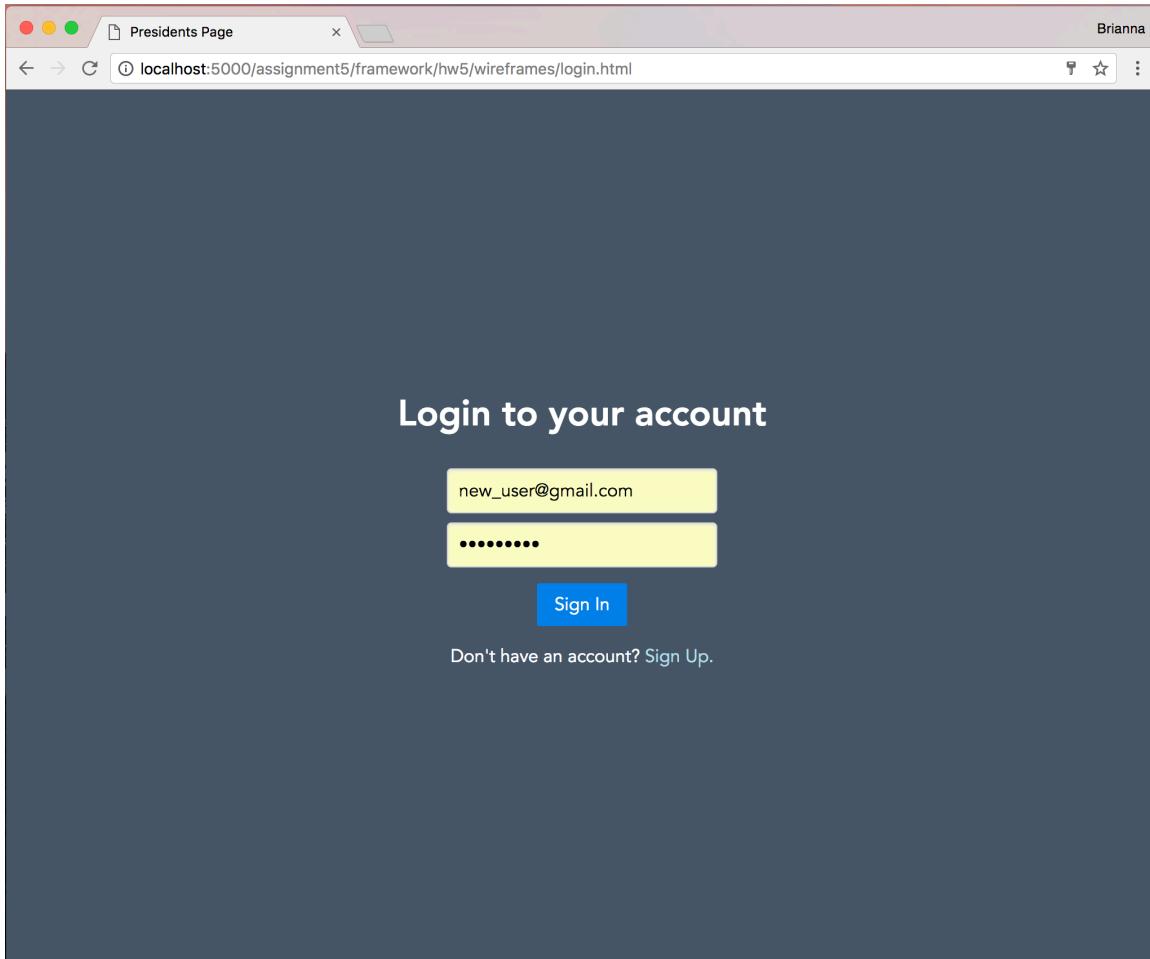

- The gallery page contains images of United States Presidents, their home, their families, and presidential landmarks and monuments
- Each image is captioned with a short description to give users a starting point for research
- Hovering over each image allows the user to view it in full clarity

My Account

- The My Account page contains user-specific information for every user
- Under My Account, users can check their login information and also reset their password

Sign Out

- Users have the ability to sign out from the application on any of the application pages
- Upon clicking the Sign Out button located on the bottom of the left-hand-side navigation side bar, users will be logged out of their account and redirected to the login page.
